Rendezvous:

Group programs will meet at 1pm. Full-day private programs meet at 8am. Half-day private programs meet at 11:00am or per your request.

Rendezvous meet-up location: [11710 Visa Commons Shopping Center](#)

This is found on the corner of Charleston Blvd and Desert Foothills Parkway.

On private programs, you will be responsible for providing your guide transportation into the Red Rock Scenic Drive and back to the parking lot. It is approximately a 23-mile round-trip. On public programs, we provide transportation from the parking lot.

Cell service is ample at the parking lot, so if you get lost or find yourself funning late, contact your guide directly.

Lodging and Camping:

Most visitors to Las Vegas stay at one of the resorts. But it is also possible to camp in the Red Rock Campground. Information about camping and booking campsites is available, [here](#).
